

Blacksmiths Family Medical Practice

New Patient information 2021

All new patients will be asked to complete a patient information via HotDocs or in person at reception.

We must have your up-to-date Medicare details prior to your first appointment.

Photographic identification and any concession cards you have must be accessible if needed.

We ask you arrive 10 minutes early for your first consult to allow for this paperwork if being seen for a face to face appointment.

Cost for a visit

We are a private billing practice.

We bulkbill GP managements plans, team care arrangements and health assessments.

If you are a pensioner, child or health care card holder, we will offer a reduced rate.

A standard consult is \$80 with a rebate of \$39.10. Out of pocket cost is \$40.90.

The reduced standard consult rate is \$70 with a rebate of \$39.10. Out of pocket cost is \$30.90.

A long consult is \$130 with a rebate of \$75.75. Out of pocket cost is \$54.25.

The reduced long consult rate is \$120 with a rebate of \$75.05. Out of pocket cost is \$44.25.

Telehealth consults are the same pricing as face-to-face consults.

We accept EFTPOS or cash for payment.

We do not offer accounts; all payments must be made on the day of the consult.

Workers' compensations and insurance rates are higher and must be paid on the day of the consult. We do not offer accounts or send the account to the insurer.

For further billing information please discuss with reception.

Missed appointments & cancellation policy

If you miss your first appointment at our practice, **you will not be offered a new appointment**. It is important to let reception know if you cannot make your appointment.

Missed appointments for current patients will incur a **\$35 missed appointment fee**. If needed, we ask that you cancel at least 1 hour before your appointment time otherwise the missed appointment fee applies.

If you are over 5 minutes late to your appointment you *may* be asked to reschedule and *may* not be seen that day.

If you are over 10 minutes late to your appointment the missed appointment fee applies, and you will be asked to reschedule and will NOT be seen that day.

This applies to face to face and telehealth consults.

COVID-19 and respiratory symptoms

We are currently using Telehealth for most consults whilst our area is a red zone. We ask ALL patients to wait in their cars or outside whilst waiting for their appointment if being seen face to face.

We do NOT see patients face to face who have respiratory symptoms such as cough, runny nose, sore throat, shortness of breath or fevers.

If you have had a COVID-19 swab with a negative result, if needed we can offer a car consult following an initial telehealth consult.

We support the COVID-19 vaccine but are not a provider of these vaccines. We do have information available at reception of where our patients are able to access the vaccines.

Telehealth

Telehealth can be via zoom or telephone.

We are doing telehealth for most appointments at this time.

Sometimes the doctor may utilise telehealth for results or follow ups. The doctor will decide who this will be offered to. We can email medical certificates and do escripts for prescriptions straight to your phone or email.

Doctor availability

Dr. Brianna Joseph is taking new patients. We cannot accept new patients from the Greater Sydney area, or those that have been in the Greater Sydney area in the last 2 weeks.

Her current hours are:

Monday, Wednesday and Friday - 9am-1pm, 2pm to 5.30pm

Tuesday – 9am-1pm

Dr. Michael Joseph is not taking new patients. If a patient of Dr. Brianna's has an urgent medical issue on a Tuesday or Thursday, our registered nurse may triage this as critical, and Dr. Michael Joseph will see the patient.

Dr Brianna Joseph does not do home visits or nursing home visits.

After hours care we recommend is GP After Hours Access (1300 130 147).

Results

You will be contacted via text message, or phone by our registered nurse or your doctor for Abnormal results. You will be advised if you need a face-to-face appointment or a telehealth appointment. We do not call you for normal results. If you do call regarding results, a message will be taken, and our registered nurse will get back to you within 24 hours.

SMS

You will be sent an SMS reminder one business day before your appointment to allow you time to change this if needed. (see missed appointment fee above for more information on our cancellation policy).

Email

We use email occasionally in rare circumstances such as to email medical certificates to patients. We ask you do not email with any clinical questions or asking for a booking.

All appointments and enquiries must be via reception using our phone.
